

1ST SEPT 2021

HELPING CHILDREN MANAGE CHANGE

As children make the transition from primary to secondary education they will experience a number of changes and a range of emotions such as anticipation, excitement and uncertainty. This workshop aims to give parents an opportunity to explore these changes and offers parents tips to support their child through unfamiliar experiences and manage change effectively.

Online Session

**St Louis, Secondary School
Dundalk**

7.30pm - 9.00pm
